

Major Breakthrough In Pet Urine Clean Up

The SpotVac and "SpotFlush" Sub-Surface Flushing Solutions, promise to fill the "The Missing Link in Home Maintenance and Pet Ownership".

A new, easy-to-use "Sub-Surface" extraction tool called the "SpotVac" has made its way from professional carpet cleaning to everyday home use. This unique tool thoroughly extracts spots and spills from UNDER carpets, to permanently neutralize all kinds of reappearing spots and pet odors from urine, vomit and feces.
